Review SIP Goals 2021-22

1. Utilize data-driven dialogue in professional learning communities to increase academic achievement.

2. Identify and work to eliminate biases and/or racism in our school environment.

3. Develop a school-wide system of social emotional support that is responsive to students' needs and focused on restorative practices.

Review School Vision Statement: How can we publish and publicize

Plan to draft new SIP: What information do we have, what do we need?
